PRESIDENT'S MESSAGE

Dear All

Even though we don’t expect shades of Gary Cooper in Beau Geste or Bob Hope in The Road to Morocco, Margaret and I are really looking forward to the sights and sands of Morocco on our upcoming trip.

I mention this only to highlight the versatility of our U3A. All the way from the Wednesday presentation which planted the seed of the idea, through to the make up of the group which has a number of U3A members, the influence is clear.

U3A is designed to be so much more than a learning opportunity. As a group of likeminded people actively interested in the world around them, the group generates ideas and opportunities, and just as importantly, ways and means of benefiting from them.

I realise this is a very simple example but there are always many such interactions current. Accordingly I encourage you to lift your level of involvement in order to discover what may be of interest to you.

Regards

Peter

BOOK LAUNCH – 6th May 2015

The tenth birthday of the U3ANI will be celebrated with the launching of the history of the Northern Illawarra U3A.

Ron Browne, a founder member of our U3A, and Ainslie Lamb have written the story of our 10 year development.

The book will be launched by the Hon. Sharon Bird MHR, our Federal Member and generous supporter of our U3A.

The launch will take place at 11 am on May 6th in the Excelsior Room, after Morning Tea and Birthday Cake.
SENIORS’ WEEK 2015

Congratulations to Joan Fleming, who was awarded a Seniors Week Achievement Award on 6th March for her many years of service to our U3A and other community groups, by Lee Evans MP on behalf of the NSW Government.

Right - Joan with Lee Evans MP

Thanks also to Beth Denny, Terry Dickson, Fran Thompson and Ainslie Lamb who ‘manned’ a U3A table at the Seniors’ Week Expo at the Master Builders Club on 13th March, showing the Balance’n’Bones DVD and generally talking to people about U3A.

Left – Beth and Fran at the Expo.

Thanks also to the NSW Dept. of Family and Community services for the grant towards our Seniors Week Open Day on 18th March.

Morning tea

Yes, we all like to catch up for a chat and a cuppa and a biscuit, BUT morning tea doesn’t get there by itself, and it shouldn’t be left to the valiant few (Ireena and Wilma and the handful of others) to prepare and put away. More assistance – men as well as women – would be appreciated – just put your name on the roster that’s on the side table and turn up at 9am on the day you nominate.

“THE SPICE OF LIFE” - Variety Concert
Saturday 25th July at the Bulli Uniting Church, 2.30pm

to raise funds to help cover the ever-increasing rental costs of running our U3A programs. Performers will include the Illawarra U3A Choir, Zlatco’s Serbian Cabaret, the OWN Drummers, a classical guitarist, and many more. Put the date in your diary now!

BOOKSTALL – Dorn Lowrey will conduct the next ‘bring and buy’ bookstalls on 20th May and 17th June – bring along 1 or 2 good books for sale (no magazines or badly worn books) - proceeds towards U3A recurrent expenses.

U3A NORTHERN ILLAWARRA FILM SOCIETY

Venue - Excelsior Hall, Thirroul Library and Community Centre, 12.30 - 3.30pm each Wednesday during term commencing 22nd April and concluding on 17th June.

Co-ordinator and Leader: Rick Thompson

Visitors are welcome. Guests not wearing a U3A name tag will be asked to contribute $5 as a temporary membership. These sessions are about discussing film and film issues, not simply (if that is possible) watching them. A discussion session follows each screening. Short films or excerpts may accompany some programs. Those films marked * will be screened with subtitles for the hard of hearing.

April 22 *THE GUN WOMAN (US, 1918, 50 mins). Directed by Frank Borzage; with Texas Guinan; and ELEANOR'S CATCH (US, 1916, 15 mins.) Directed by and starring Cleo Madison. Two examples of the busy cycle of mid-silent period films by and about woman as central action hero/heroines, one a western, one a contemporary urban drama. (Tie-in with the 11 am Talk on Texas Guinan, same venue).

May 6 *F FOR FAKE (France/Germany, 1973, 85 mins). Directed by Orson Welles. With Welles, Oja Kodar, Clifford Irving, Pablo Picasso. Welles plays many games on us and with us in this "documentary" about famous forgers and forgeries.

May 20 SHORTS DAY. Selected short films, to be announced.

June 3 THE WOMEN (US, 1939, 133i mins). Directed by George Cukor. With Joan Crawford, Rosalind Russell, Norma Shearer. From Clare Boothe's Broadway hit, Cukor and an all-female cast present a busy, varied image of women's situations and sensibilities in 1939.

June 10 *VIRIDIANA (Spain, 1961, 91 mins). Directed by Luis Bunuel. With Silvia Pinal, Fernando Rey, Francisco Rabal. Banned by Spain and the Vatican and regarded as a Bunuel masterpiece, the film centres on a novice nun as she makes her way through a very un-saintly sample of the society around her.

June 17 *MY NEIGHBOR TOTORO (Japan, 1988, 88 mins). Directed by Hayao Miyazaki. Two young girls move to the country and discover a forest spirit, the Totoro, visible only to them. What follows is a highly imaginative re-working of Alice and the Rabbit Hole from Japan's greatest animator.

U3A in Nigeria

Accessed from
www.myu3a.org/groups/ibadan,%20nigeria.htm
By Dr Charles Afolabi JP, Executive Director of U3A Nigeria.

Nigeria is a diverse country with many peoples and many languages. U3A NIGERIA is striving that the elderly persons will not die with their ideas and vocations. We are making sure that these are passed on to the new generation. The elderly persons are an important resource. When an old person dies a library vanishes. We use intergenerational programmes to break the policy of segregation of older persons which are replaced with a strategy of participation in order to ensure a society of all ages and interchange of knowledge between the older persons and the youth.

Our activities include:- Education and Tourism, Prayer Group, Language, Beautification and Environment, Culture and Heritage, Research, Counselling, Library and Information, History and Politics, Sports and Recreation, Accident Prevention, Publication, and Expressive Arts for all ages to express themselves through Arts, Crafts, Writing, Music, Movement and Narrative Arts.

Our greying population in Nigeria is a skill reservoir which has to be fully utilised if we really want the ageing society to be maintained and continue its creativity and productivity.
